WHO WE ARE

Purpose rooted in people

Jigyasa Foundation advances practical and inclusive development through programmes shaped by dignity, accountability, community needs, and continuous learning.

OUR VISION

A society where every person can learn, participate, grow, and build a secure future.

OUR MISSION

Responsible action in education, health, livelihoods, environment, and wellbeing.

OUR FOCUS

Four connected priorities

01

Education

Learning support, mentoring, and opportunity.

02

Healthcare

Health camps, awareness, and wellbeing.

03

Women Empowerment

Skills, confidence, and livelihood pathways.

04

Green Communities

Plantation and environmental action.

GET INVOLVED

Many ways to contribute
